

ISWAVLD2019

The 19th International Symposium of the World Association of Veterinary Laboratory Diagnosticians (ISWAVLD) 2019 & OIE Seminar

19 - 22 June 2019 | Chiang Mai, Thailand

SECOND ANNOUNCEMENT

www.iswavld2019.org

Hosted by :

Supported by :

WELCOME MESSAGES

Since 1976, the mission of the World Association of Veterinary Laboratory Diagnosticians (WAVLD) has been to improve animal health, human health, and One Health by facilitating the availability of quality laboratory testing provided by veterinary diagnostic laboratories. The mission is accomplished through various activities including the delivery of scientific and educational symposia. During the 17 previous International Symposia, diagnosticians from around the world have had the opportunity to interact in an instructive, informative, and collegial environment.

The WAVLD Executive Board has the pleasure of announcing that the next International Symposium of WAVLD (ISWAVLD) will be held June 19-22, 2019, in Chaing Mai Thailand. Chaing Mai is a beautiful city in the mountains of Northern Thailand. The city is known for its cultural heritage, natural beauty, amazing food, and of course, the hospitality of the Thai people.

The Thai Association of Veterinary Laboratory Diagnosticians (TAVLD), led by Prof. Achariya Sailasuta, has been preparing for a great meeting. Prof Sailasuta, along with the members of the Organizing Committee, have selected the theme "Innovation of Clinical and Public Health Laboratories: Integrating on the Future of One Health." Committees have been formed for all aspects of the meeting. Those committees are actively working to ensure that the 19th ISWAVLD is successful.

I am confident that the TAVLD Committees' efforts will result in a very successful 19th ISWAVLD. I encourage you to submit an abstract and look forward to seeing you June 19-22, 2019 in Chaing Mai, Thailand.

Sincerely,
Barbara M. Martin
WAVLD, Executive Director

On behalf of the Thai Association of Veterinary Laboratory Diagnosticians, TAVLD, I feel proud to invite veterinarians, researchers, technicians, and other related professions on the veterinary laboratory diagnosis from all over the world to the 19th International Symposium of World Association of Veterinary Laboratory Diagnosticians, 19th ISWAVLD, and OIE seminar to be held during 19th-22nd June, 2019 in Chiang Mai, Thailand.

Since 2003, TAVLD had successfully held the memorable 11th ISWAVLD in Bangkok, Thailand. Once again after 16 years, we would like to bring the 19th ISWAVLD 2019, back to Thailand in the spirit of the ASEAN Economic Community (AEC), the biggest livestock production, and a center of ASEAN countries.

The Symposium has adopted the theme of "Innovation of Clinical and Public Health laboratories: Integrating on the Future of One health" and will consist of scientific programs, workshops and excursions.

The 19th ISWAVLD will give you an excellent opportunity to meet distinguished veterinarians, researchers and animal scientists in different disciplines of veterinary diagnostics to offer your own contribution to the discussion, to share your experiences on the technological innovation for the world of applied diagnostic and researches exhibitions and to enjoy an atmosphere of memorable international friendship.

We look forward to welcome you to Chiang Mai, classic city, rich in culture and exquisite cuisine in June, 2019.

Sincerely,
Prof. Dr. Achariya Sailasuta
President of Thai Association of Veterinary Laboratory Diagnosticians (TAVLD),
Chair of the 19th ISWAVLD Organizing Committee

SPEAKERS

Dr. Dennis Carroll (USAID)

Global virome project to fight emerging diseases

Prof. Dr. Yong-Guan Zhu

Microbiome - A Transporter of Antibiotic Resistance Genes

Dr. Shabbir Simjee

Foodborne disease

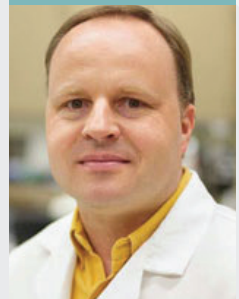

Prof. Jeffrey J. Zimmerman

Department of Veterinary Diagnostic and Production Animal Medicine, College of Veterinary Medicine, Iowa State University

Dr. Luis Gimenez-Lirola

Department of Veterinary Diagnostic and Production Animal Medicine, College of Veterinary Medicine, Iowa State University

Prof. Matti Kiupel

Cancer

CALL FOR 3-MIN PITCH CLIPS

- Swine
- Ruminant
- Avian
- Veterinary Public Health
- Point of care (POC) test
- Companion Animal
- Wildlife
- Exotic Animals
- Laboratory Animals
- Animal toxicology

PROGRAM AT A GLANCE

Wednesday 19th June 2019

(Scientific Symposium - open to congress and non-congress attendees)

9:00 -17:00	Pre-congress Workshop (TBC)
17:00-19:00	Registration for the conference Poster presentation
17:00-18:00	Annual general meeting of Thai Association of Veterinary Laboratory Diagnosticians (TAVLD) 2019
18:00-20:00	TAVLD Annual Membership Dinner

Thursday 20th June 2019

8:00-9:00	Registration		
9:00-9:45	Opening Ceremony		
9:45-10:55	Keynote Lectures: Genome analysis for diagnosis in veterinary fields		
	Keynote Lecture I		
10:55-11:25	Coffee break and exhibition/poster viewing		
11:25-12:30	Keynote Lecture II		
12:30-14:00	Lunch symposium		
14:00-15:15	Session 1. Innovation of infectious agent detection in farm animals I		
	Swine	Avian: Influenza and emerging diseases	Ruminant: FMD and emerging diseases
15:15-15:45	Coffee break and exhibition/Poster viewing		
15:45-17:00	Session 2. Innovation of infectious agent detection in farm animals II		
	Swine (Plenary Session)	Swine (oral)	Avian (oral)
			Ruminant (oral)
17:00-18:00	Welcome reception		

Friday 21st June 2019

9:00-10:15	Session 1. Quality management systems including recent changes the ISO standards, the requirement for OIE Reference Laboratories to be accredited to ISO 17025 or equivalent, and the training seminars for OIE Focal Points on Laboratories		
10:15-10:45	Coffee break and exhibition/poster viewing		
10:45-12:00	Session 2. Innovation of laboratory diagnosis in companion animals, elephants and forensic science, animal toxicology & OIE		
	OIE Seminar	Animal toxicology: Mycology detection	Elephants and forensic science
			Companion animals: The future of molecular diagnostics in companion animal medicine
12:00-13:30	Lunch symposium (AMR): Diagnosis of antimicrobial resistance (AMR)		Lunch symposium: Diagnosis of companion animal hematopoietic tumor

Friday 21st June 2019

13:30-15:00	Session 3. Innovation of public health laboratory, laboratory diagnosis in companion animals, vaccinology & OIE			
	OIE Seminar (Plenary Session)	Innovation of vaccinology for viral infections	Diagnosis of antimicrobial resistance (AMR)	Companion animals: Canine emerging diseases
15:00-16:00	Coffee break and poster presentation and discussion: Student Competition Poster Judging			
16:00-17:30	Session 4. Innovation of public health laboratory, laboratory diagnosis in companion animals & 3-min pitch			
	OIE Seminar (Plenary Session)	A 3-min pitch on novel laboratory diagnosis techniques	TDRC seminar	Companion animal (oral)
17:30-18:30	Dinner symposium			
19:00	Congress dinner & Best poster presentation award & Best 3-min pitch award			

Saturday 22nd June 2019

9:00-10:15	Session 1 : Test Kit Expo
10:15-10:45	Coffee break and exhibition/Poster viewing
10:45-12:00	Session 2 : Novel in omics and bioinformatics technologies in veterinary science
12:00-12:30	Closing Ceremony
12:30-17:00	Excursion (optional)

HIGHLIGHTS

CONFERENCE THEME

**Innovation of Clinical and Public Health Laboratories:
Integrating on the Future of One Health**

SESSION HIGHLIGHTS

- Novel developments in omics and bioinformatics technologies in veterinary science
- Microbiome and antibiotic-free production systems
- Laboratory monitoring of antimicrobial resistance (AMR)
- Recent application of molecular targets and biomarkers in disease diagnosis, prognosis, prevention and epidemiology
- Detection, management and control of endemic, new and emerging diseases

ACTIVITIES HIGHLIGHTS

- OIE Seminar
- Test Kits Expo: Platform to update newest test kits from our exhibitors
- 3 mins pitch award: The showcase for innovation and impact of their research
- Student Poster Award

REGISTRATION

Categories	Early Bird Rate (until 28 February 2019)	Standard Rate (1 March – 31 May 2019)	Onsite Rate (19-22 June 2019)
For international delegates			
Delegate	500 USD	550 USD	650 USD
Student	200 USD	250 USD	300 USD
ASEAN Delegate	300 USD	350 USD	400 USD
ASEAN Student	150 USD	200 USD	250 USD
One day registration	150 USD		
Accompanying Person	50 USD		
Conference Dinner	80 USD		
สำหรับคนไทย			
Local Delegate	๓,๕๐๐ บาท	๔,๐๐๐ บาท	๕,๐๐๐ บาท
TAVLD Member	๓,๐๐๐ บาท	๓,๕๐๐ บาท	๔,๐๐๐ บาท
Local Student	๑,๕๐๐ บาท	๒,๐๐๐ บาท	๒,๕๐๐ บาท
One day registration	๑,๕๐๐ บาท		
Conference Dinner	๑,๕๐๐ บาท		

DELEGATES INCLUDE:

- Access to all scientific sessions
- Access to exhibition area
- Conference bag
- Coffee breaks

ACCOMPANYING PERSONS INCLUDE:

- Access to exhibition area
- Coffee breaks

REMARK

- Accompanying person (s) cannot attend any scientific sessions
- Proof of status needs to be provided at time of Registration

TERM & CONDITIONS

- The registration will be accepted only upon full payment is received.
- Cancellation and Refund Policy: Notification for cancellation must be in writing to the organizer.
- All refunds will be made after the conference within 60 days. Handling fees and bank charges will be deducted from the refund amount.
 - Before 31 January 2019 50% Refund
 - After 1 February 2019 No Refund
- Transfer to another name will be accepted only by written request to iswavid2019@vnuexhibitionsap.com before **31 May 2019**

IMPORTANT DATE

- Early bird registration:
- Regular registration:
- Abstract submission:
- Notification of abstract acceptance:
- Author Registration and payment within:

until 28 Feb. 2019
1 Mar. – 31 May 2019
1 Nov. 2018 – 28 Feb. 2019
1 April 2019
within 30 April 2019

ABOUT CHIANG MAI

Chiang Mai province is the largest and most culturally significant city in northern Thailand. Chiang Mai is also blessed with pristine natural resources including mountains, waterfalls and rivers. The presence of numerous hill tribes that feature a wealth of unique cultures enhances Chiang Mai's distinctive diversity. Hill tribe trekking, often combined with river rafting and elephant riding has always been one of Chiang Mai's greatest tourist attractions.
